Personality

Key strengths

- 1 Cautious** I would rather be safe than sorry.
- 2 Calm** I remain productive even in stressful situations and hardly ever lose my temper.
- 3 Perfectionism** I focus on the task at hand fully and pay very close attention to details.

Motivators

- Cooperativeness & Self-appreciation**
- Emotionality & Temperamental**
- Practicality & Realistic approach**

I appreciate **teamwork and cooperation**. **Attention to detail** keeps me away from mistakes. I value **practical solutions and proven methods**.

Communication style

- Functional** I can communicate step-by-step, logically, so nothing gets missed.
- Indirect** I'm accustomed to reading between the lines and try to avoid conflicts with other people.

Work values

Achievement

Support

Relationships

I appreciate **personal accomplishment**, the possibility to **work with others**, and **confidence**. I may be ready to sacrifice recognition and personal comfort and be prepared to follow detailed rules. To find satisfaction, I take care to pick a job that is **challenging** and provides enough **interaction with others** and **support**.

Company culture

- Goals-oriented** where things get done and people believe that there is strength in simplicity.
- Internally driven** where the product is a form of art and marketing is focused on creating a need for it.
